

# OKE

From historic fishing vessel to Ambassador boat

## TRADITIONS

Traditions bind us as a community and become part of our DNA giving us the feeling of comfort as well as a sense of belonging. Our lovely converted traditional fishing vessel OKE fills us with this sense of connection - to our roots and our environment.

A very special evening is upon us shortly – **SANKT HANS** – on **23 June 2026**. It is a wonderful way to watch this traditional gathering around a bonfire hosted on the beach behind Skagen Harbour from an authentic fishing vessel such as OKE. **She is still available for this opportunity.**

Celebrating business and family milestones can easily be created and tailored on OKE – whether this be a trip out to sea, a dinner below deck, a sundowner cruise around the harbour or even a traditional Danish ‘smørrebrøds’ lunch with our local Skagen beer and Porse schnapps.

However you choose to use Oke, we are open to new ideas to help make your day memorable with it perhaps even becoming a new TRADITION for you.

### OKE'S 80TH BIRTHDAY CELEBRATION

Just a reminder that this will now be held on **FRIDAY 10 JULY FROM 11H00-15H00 IN SKAGEN HARBOUR CLOSE TO THE FISH RESTAURANT**

## PEOPLE

Welcome onboard to JESS, our new additional Skipper who some of you have already had the pleasure of meeting.

Jess most recently served as skipper on the three-masted schooner **Activ**, he has a passion for wooden boats being a practicing boat builder and is proud of our seafaring cultural heritage.

## GUESTS

We thank all our new guests from the Cruise Ships for coming and experiencing our wonderful little town at the northern most tip of continental Europe and in particular for their presence on our dear boat OKE. We hope you enjoyed your time and welcome you back to Skagen in the future.

‘Pa Gensyn’....as we say!
