HARBOUR CRUISE AND SUNSET COCKTAILS

As one of the many bespoke trips that can be organised onboard Oke, we can arrange sunset cocktails. Summer is the perfect time for this with late sunsets.

Whether you are planning a birthday trip or want to surprise someone you love with a proposal (which has happened before), we can make special arrangements! Skagen harbour is steeped in history and there is plenty to see with the new developments during a harbour cruise.

FISHING WITH JIM AND LARS

Join us for an unforgettable fishing adventure aboard Oke with our seasoned skippers Jim and Lars. Their deep knowledge of local waters and friendly guidance will ensure a fun and fruitful trip to sea. Oke will provide all equipment to make the experience memorable and can tailor the journey and place of fishing.

FRESHLY MADE PICNIC BOXES

To complete your perfect trip on the water in Skagen, the wonderful Birgit at Iscafeen has you covered with her freshly made picnic boxes, lovingly prepared each morning with local ingredients and a touch of homemade charm. These beautifully packed boxes are a delicious and convenient way to savour Skagen's flavours on the go.

DOCKSIDE DINING

Experience eating in Skagen in a different venue with our dockside dining. Whether it is a business meeting, a corporate event or a social surprise, dining onboard offers a unique environment you won't forget.

BOOKING AND FRIENDLY CANCELLATION POLICIES

Should you wish to make a booking, please contact Willy Hansen on wbh@skagenhavn.dk and complete the "booking blanket" on our website. Once your booking is confirmed, Helle (our chief host) and the team will ensure that your catering requirements are met.

Mainly due to varying weather conditions in Skagen, we have a very friendly cancellation policy where the rental price can be cancelled up to 24 hours before with no penalty.

We wish to ensure everyone has a wonderful experience.
